LEARNING EXPERIENCE

THE DIAMOND LEARNING EXPERIENCE

GIOYA Higher Education Institution is an international learning club founded by a network of entrepreneurs affiliated with the United Nations and strengthened by the entry of the world's largest yacht-production district. GIOYA has evolved into one of the most innovative hubs for personal and professional growth for impactful individuals. Through a global ecosystem of entrepreneurs, innovators, investors, and institutional partners, GIOYA designs elite, tailor-made learning journeys that elevate leadership, vision, and global awareness.

A HIGH-LEVEL TAILOR-MADE JOURNEY

The Diamond Learning Experience represents the highest expression of the GIOYA philosophy: an individually curated seven-day immersion where refinement, advanced learning, privileged access, and cultural depth merge into one transformative experience.

Each Diamond Experience is fully customized around the **Registered Individual's** ambitions and identity, combining:

- Premium hospitality
- One-to-one masterclasses with international top experts
- Private meetings with industry and institutional leaders
- Selection of strategic destination your business
- Curated cultural and gastronomic experiences
- Moments of wellness, reflection, and inspiration

Registered Individuals may be accompanied by two guests, who join the lifestyle and cultural dimension of the journey.

Guests do not pay for access to meetings or experiences, but they cover their own accommodation and hospitality costs.

WHAT THE DIAMOND EXPERIENCE INCLUDES

1. Exceptional Hospitality

- Seven days in a landmark hotel, boutique residence, or premium private villa
- Environments selected for beauty, serenity, and cultural significance
- Dedicated local logistical coordination and seamless guest support

- Refined dinners in extraordinary locations or with special guests
- Artistic, cultural, and heritage-based experiences
- Evenings designed to inspire dialogue, connection, and insight

5. Dedicated GIOYA Curator

A GIOYA Curator accompanies the entire journey, ensuring:

- Contextual interpretation of every encounter
- Integration of learning and personal insights
- Exceptional execution, flow, and personalization

6. Integration & Legacy

- Final session of reflection and strategic consolidation
- Delivery of a confidential Legacy Report summarizing learnings, opportunities, and new connections
- A long-term impact that extends far beyond the seven-day journey

DESTINATIONS

This list is exemplary. GIOYA can open additional destinations where the institution holds deep roots and longstanding relationships, offering bespoke Diamond Learning Experiences fully tailored to the intentions, identity, and strategic ambitions of the individual.

SHANGHAI

In Shanghai, the gateway to Asia's economic ascent, the Diamond Experience offers an elevated perspective on influence and modernity. A private yacht cruise along the Bund sets the tone for a week of privileged access, including entry into historic villas of leaders who shaped China's rise and curated meetings with top figures from industry and academia. Tailor-made masterclasses and deep cultural immersions transform the city into a personal theatre of learning and strategic insight. **This experience also serves as a private entry door to consolidate relationships and establish a meaningful presence within one of Asia's most powerful economic and institutional ecosystems.**

MANAMA – THE GULF

In Manama, Bahrain, the Diamond Experience offers access to one of the Gulf's most strategic crossroads. Private and institutional meetings reveal the region's economic transformation, while curated pathways of peaceful coexistence highlight the city's unique role as a cultural and diplomatic intersection.

It acts as a discreet entry door to the Gulf's expanding economic and geopolitical landscape, enabling the creation of long-term relationships across business, institutional, and cultural spheres.

THE DIAMOND LEARNING EXPERIENCE

HANGZHOU

One of the world's most beautiful cities, with a youthful demographic and a 7% GDP growth rate, Hangzhou blends natural serenity with cutting-edge innovation. Private encounters with technology founders and industry pioneers unfold against the backdrop of the city's legendary lakes, offering a seamless union of creativity, knowledge, and well-being. As China's true technological capital, Hangzhou provides a rare convergence of beauty and forward momentum.

Here, the Diamond Experience becomes an exclusive gateway for building or strenghtening long-term relationships and entering a rapidly expanding technological and entrepreneurial landscape.

TOKYO

Tokyo elevates discretion into an art. Participants may be hosted within the circle surrounding Bentley House, entering spaces where craftsmanship, innovation, and cultural excellence meet. Private discussions with Japanese investors and industrial leaders accompany exceptional culinary experiences and bespoke well-being rituals rooted in the country's refined traditions.

It is also a private entry point into Japan's highly selective business culture, enabling the consolidation of trusted relationships within one of the world's most refined and strategic markets.

TUSCANY

In Tuscany, Registered Individuals are welcomed by the leadership of the world's largest yacht-production district. Private visits to globally renowned shipyards and personal encounters with the entrepreneurs who shaped the modern yachting industry reveal a world usually hidden from view. The journey is enriched by the elegance, authenticity, and timeless beauty of one of Italy's most celebrated regions.

This experience serves as a privileged introduction to the epicenter of global yacht manufacturing, offering a discreet pathway to build relationships and access opportunities within a highly influential industrial district.

MOTOR VALLEY – ITALY

Here, engineering genius becomes living heritage. In the Motor Valley, private meetings with leaders from Lamborghini, Pagani, Ducati, and Ferrari are complemented by exclusive access to workshops, ateliers, and historical spaces closed to the public. It is an immersion into excellence, speed, creativity, and the human minds behind some of the world's most legendary brands.

The Diamond Experience also becomes a strategic entry door into one of the world's most prestigious and closed automotive ecosystems, enabling meaningful connections at the highest level.

MARBELLA & THE COSTA DEL GOLF

Marbella and the wider Costa del Golf represent one of Europe's most desirable environments for lifestyle, investment, and international connectivity. Exceptional climate and world-renowned golf surroundings frame private encounters with global investors, sport leaders and athlets, distinctive real-estate developers, and influential regional leaders. The setting offers a refined balance between opportunity, leisure, and Mediterranean elegance.

It is also a private gateway to Southern Europe's most attractive investment landscape, allowing participants to consolidate relationships and access emerging opportunities across the region's most dynamic ecosystem.

THE DIAMOND LEARNING EXPERIENCE

GENEVA

Geneva represents one of GIOYA's most significant hubs in consideration of its positing in commercial diplomacy, where the institution shares offices with the United Nations University for Peace. The Diamond Experience provides exclusive access to these spaces, offering a privileged base within the city's diplomatic heart. Participants may engage with leaders of international organizations, members of the diplomatic community, and luxury-sector representatives through private meetings and curated visits unavailable to the public. Masterclasses in Commercial Diplomacy—delivered at the highest international level—provide rare strategic insight into multilateral negotiations, influence-building, international arbitration and global governance.

AWARD-CLASS CERTIFICATION

Each Diamond Learning Experience concludes with an **Award-Class Certificate issued by GIOYA Higher Education Institution**, recognizing the depth, exclusivity, and academic value of the journey. This certification may also be paired with one of GIOYA's **institutional partners**, depending on the customized nature of the experience and the thematic focus chosen.

Furthermore, the Diamond Learning Experience **may be formally recognized** and transformed in European academic credits for participants who later enroll in GIOYA's Executive Academic Pathways, allowing this immersive journey to contribute meaningfully to their academic advancement and reducing the timing of completion.

Pricing

The Diamond Learning Experience begins at ***€18.000****, depending on destination and customization level. Participants may be accompanied by two guests, who join the lifestyle and cultural dimension of the journey.*
Guests do not pay for access to meetings or experiences, but they cover their own accommodation and hospitality costs. International and local travels are not included in the proposal.
