JOINT EXECUTIVE PROGRAMME IN INTERNATIONAL INVESTMENT ARBITRATION & COMMERCIAL DIPLOMACY

Programme Introduction

The Joint Executive Programme in International Investment Arbitration & Commercial Diplomacy is a high-level international executive experience designed for senior professionals, executives, institutional representatives, legal experts and decision-makers operating in complex international environments.

Developed by the United Nations University for Peace and GIOYA Higher Education Institution, in collaboration with SHAC European Hub, the Global Capacity Building Center for Legal Professional Services, Hainan International Arbitration Court (HIAC) and Zhuhai Court of International Arbitration (ZCIA), the programme combines advanced academic content, practical exposure and institutional engagement across two strategic European hubs: Malaga, focused on investment arbitration, ISDS and commercial diplomacy, and Geneva, centred on multilateral institutions, global governance and high-level international networking.

Through executive learning sessions, curated institutional access and participation in the UPEACE & GIOYA Graduation Day at UN Geneva, participants will engage with a unique environment where international law, investment strategy, diplomacy and global economic governance converge.
The following section outlines the participation fee and the services included in the programme.
